

Executive Director's Report, November 16, 2020

Measurements

- Update to the Measurements document that is part of our Strategic Plan. (PDF posted)

Priorities Survey

- Priorities going forward (PDF posted)

Ongoing Formation

- Session (PDF posted)
- Recommendations submissions – communicators (PDF posted)

IT Roundtable

- Session held October 28. Small attendance (I believe due to bad timing with LCWR 9 and RCRI meetings the same week) but notes and recording will be posted online for member access. Meeting with committee to discuss November session.

Preferred Vendors

- WIPFLI is ready and includes MyWIPFLI membership for all WRC member communities whether they use WIPFLI services or not. (PDF posted)

Membership

- Continue to talk with Racine Dominicans about WRC and possible membership. This remains a confidential discussion.

Grants

- FSPA Venture Grant in progress.

Discussion—Ministry Trust Management

- Consider whether there is potential for member congregations of WRC to collaborate on the management of a trust (perhaps designating the board as the trustee) and allowing member congregations to place their trusts for collaborative management.
