

July 29, 2019

The Wisconsin Religious Collaborative (WRC) is seeking volunteers to participate in Advisory Committees that will provide guidance and expertise in developing several new programs to support member institutes and, ultimately, the entire region.

The Advisory Committees will work directly with WRC Executive Director Lyn Korte by participating in meetings via conference calls and reviewing materials relevant to the development of a specific program. Committee members will be expected to contribute expertise, advise on direction, assist in identifying additional resources, and facilitate connections.

The time commitment should not exceed an average of four hours per month; however, monthly fluctuations may occur due to the timing and demand of development.

The Advisory Committees are listed in the following pages. Please submit volunteers or recommendations for these committees to Lyn at Lyn@WRCollaborative.org by August 16, 2019.

If you would like any additional information, you can reach Lyn at the email above or call 262-599-0814.

Thank you for your assistance in kick-starting our development process!

Program: IT Support Program

Employee(s) or contractor/agency to be shared across institutes in need of technical support, including systems development and consultation, training, problem solving, and repairs

Features:

- Cost-effective services available on-demand
- Development of standards, guidelines, and best practices for communities not requiring personnel

Benefits:

- Efficient and timely technology support and guidance
- Regional accessibility
- Ensure needs of sisters met while allowing leadership to focus on governance and management functions

Expected time commitment: 4 hours per month, August 2019-January 2020

Expertise desired: Technology, agency management, contracts, negotiation
