

Communicators for Women Religious Report <https://c4wr.org/>

Communicators for Women Religious (CWR) has an LCWR 9 branch and also is a national organization. The LCWR 9 branch has not met since our last meeting.

The national organization of CWR just had their annual conference October 5-8. *Moving Forward with Grace and Soul.*

A few projects that CWR is involved in currently is *Cycling with Sisters*. It is a spiritual adventure that combines bike riding, prayer, and online community.

Everyone can participate in a *Cycling with Sisters* event, wherever you live and whether or not you're a cyclist! There are rides throughout the year at different locations. And they are online all year long with podcasts, blogs, videos and conversation.

March 8-14, *Catholic Sister's Week*, CWC shines the spotlight on women religious and encourage a wide range of campaigns and events that invite all who follow Jesus to undertake the following:

- expand and support their gospel witness
- grow the service networks they have seeded
- share their spirituality, charisms, and community
- encourage young women to consider a vocation to religious life
- support their pastoral, teaching and prophetic works
- and focus on the new world they call into being.
