

## Member Institute Name:

### Purpose

The purpose of this questionnaire is to follow up on the existing research that has been conducted by the Wisconsin Religious Collaborative. The collated responses to this questionnaire plus the discovery from on-site guided discussions will provide a complete assessment of needs, opportunities, and priorities for the WRC to address in the coming months.

The previous survey revealed that Health Care is a priority for collaboration over the next three to five years. Please select from the following list which **Health Care** services your community would benefit from over the next three years:

- Health care facilities  Yes |  No
- Wellness coordinator  Yes |  No
- Province/community nurse  Yes |  No
- Mental health support  Yes |  No
- Other (If yes, please specify below)  Yes |  No

Please select from the following list any areas related to **Health Care** for which your community may be able to contribute resources, expertise, or guidance:

- Health care facilities  Yes |  No
- Wellness coordinator  Yes |  No
- Province/community nurse  Yes |  No
- Mental health support  Yes |  No
- Other (If yes, please specify below)  Yes |  No

The previous survey revealed that Ongoing Formation is a priority for collaboration over the next three to five years. Please select from the following list which **Ongoing Formation** services your community would benefit from over the next three years:

- Programs  Yes |  No  
(If yes, please specify topics below)

- Conferences, retreats, workshops  Yes |  No  
(If yes, please specify topics below)

- Spirituality  Yes |  No
- Justice and peace  Yes |  No
- Emotional health  Yes |  No

Please share any additional comments or suggestions.
