**Re:** LCWR Region 9 Fall Meeting  
October 26, 27, 28, 2020

Soon we will have an opportunity to 'gather' virtually for our fall meeting. Your Executive Committee is planning a unique event, sketched below; and a finalized agenda will be sent after the committee meets again on September 23. Just FYI, Fr. Anthony Gittins, CSSp is not able to provide his input remotely. We hope to re-schedule his talk for another time. We appreciate your flexibility with changes in agenda, speaker and schedule.

**Timeframe:**

Monday, Oct. 26, 1:00 pm -3:15 pm,  
Tuesday, October 27, 9:00-11:15 am & 1:00-3:15 pm  
Wednesday, October 28, 9:00 am -11:15am  
All sessions include at least a 15 minute break  
Prayer: About 15 minutes each day.

**LCWR National items-**

1. Global Concerns Committee's intent that we continue to address racism, immigration and climate change; possible input from one of the 3 young women who spoke during the Assembly;
2. LCWR Leadership and Board Member candidates for 2021; additional sisters may be eligible because many terms have been extended.

**Local Content ideas:** positivity, naming what gives us hope, creative ways we are doing things in this time of COVID; stories of sisters in active ministry and the new challenges of remote learning, doing things online or feeling safe when needing to be at work; the CARA / LCWR Study, and Emerging Future Survey. If you have a topic of interest, let us know by September 21, simply by emailing Sharon Glumb ([sgumb@slw.org](mailto:sgumb@slw.org)).

**WI Legislative Network (WLN):** Toni will report about the September 30 WLN meeting which will focus on the upcoming election.

Today, we are enclosing two preliminary items that require your immediate attention:

1. Annual Membership Renewal Form for Region 9
2. Registration for the Fall Region 9 Meeting

**Please complete and mail these with payment to Rose Jochmann ASAP, and no later than September 25.**

We look forward to connecting with you in October. THANKS!!
