

SOCIAL JUSTICE DEEP DIVE

In advance of the March 29 LCWR 9 Legislative Network Meeting:

- Gather feedback on Social Justice alerts sent twice-weekly
 - Were these helpful to you, your leadership council, your community?
 - Would you like to see something like this continued?
 - What input/feedback do you have on these notices?
- Define needs/gap to be filled
 - Beyond information collation and sharing such as the alerts noted above, what are other needs?
 - What messages do you have for LCWR 9 Legislative Network planning?
 - What needs exist beyond what Legislative Network can provide?
 - What do you see WRC providing to meet the needs your community has – beyond tighter Legislative Network alignment?
