

SPIRIT CALL WITHIN A CALL – FALL REGION MEETINGS 2023

In preparation for the fall meeting, ask members to watch video available on the public side of the website found with Spirit Call within a Call (~40 minutes) – Anita Baird DHM

*Link is not yet available.

The video offers these questions at the end:

- What was your reaction to the George Floyd killing?
- What role does institutional/systemic racism play in the taking of black and brown lives?
- What keeps you and/or your communities from being passionate about destructing racism? What are your fears?
- How will you encourage your community to move beyond written statements against racism to restructuring our racist institutions?
- How can we help each other heal?
- What supports would be helpful from LCWR's Spirit Call Within a Call?

At your fall region meeting, take time in small groups (~25 minutes) and as a large group (~15 minutes) to discuss the questions above.

Within a week of your region meeting, ask someone to complete the online report below, asking for feedback to what supports might be helpful from LCWR's Spirit Call within a Call and any other general feedback from your region.
