

Name of Group/Organization: Wisconsin Council of Churches

Purpose of Group/Organization: The Wisconsin Council of Churches (WCC) is a network of Christian churches and faith-based organizations committed to working together across our many differences. Exercising holy imagination, we help each other make courageous choices that lead toward peace with justice, the vitality of the church, and the well-being of our neighbors. The Council connects 20 Christian traditions, which have approximately 2,000 congregations and over one million church members in Wisconsin. Join with us as we pray and work together for the unity and renewal of the church and the healing and reconciliation of the world.

Significant activity since last update in fall 2020: I attended their annual virtual meeting in January.
